Hi Sean,

I apologize for the delay. Yes, we made the final production in Food and Water Watch in February. Feel free to close it out!

Thanks,
Kathryn

Hi Sean, Kathryn is out and I wasn't involved much in the case. I'm sure Kathryn can get you an answer next week. If it's time sensitive, let me know and I'll try to figure it out.

Thanks!

Good morning,

I hope your week is going well. Is there any chance we are done with all of the scheduled productions for the Food & Water Watch litigation (1:18-cv-1497), FOIA number EPA-HQ-2018-002708? We were hoping we might be able to close it.

Best regards,

Sean M. Donahue
